

"Because I never kept books," was the answer of a noted Chicago politician in answer to an inquiry as to the secret of his success in that difficult sphere. It was the vernacular manner of explaining that he did not cherish grudges. Some people are so intent on revenging their injuries that they never have time to accomplish anything worth while for themselves. From a purely selfish and practical standpoint, not to consider the moral aspect of the matter, revenge is not worth the trouble that it takes to accomplish. A man had better employ himself in honest, productive labor which will bring him some valuable returns instead of giving himself up to petty schemes for "getting even" on his enemies. Every man would do well to wipe out those old scores of enmity which he had intended to pay back for evil retaliation, and start afresh to do something honest and positively beneficial for himself. After all, most of our enemies would be our friends if we knew one another better. Few men are wholly or maliciously evil, and when one does another an evil there is usually some misunderstanding at the bottom of it. How often it happens that mutually hostile men, having been thrown together by chance and became mutually acquainted, conceive a warm friendship for each other? The trouble with the bookkeeping system referred to is that only one side of the ledger is kept posted. How would it be if we had a record of all the kindnesses, all the helpfulness and friendliness of which one receives? The balance would then be found perhaps other than was thought, and possibly it would take up so much time paying off this score that none would be left for even thinking of the ill done.

Big German Walking Match.
A great walking match lately took place on the main roads between Dresden and Berlin, a distance of 124 miles. There were over 40 competitors, and the first six to arrive at Berlin were all vegetarians. The winner was Karl Mann, 28 years of age, who has lived on vegetable food for ten years. He covered the distance in 26 hours and 53 minutes.

TESTIMONIALS.

Napoleon, O., April 4, 1902.
I wish to state to the public and friends what Dr. F. M. Good has done for me. I was a total wreck; there is no one can tell the misery I was in for eighteen years. I suffered with nervous prostration, heart trouble, stomach constipation, loss of memory, craving appetite for strong drinks and to the surprise of my wife and myself, he cured me of all my troubles in ten treatments. I had tried doctors and medicines of many kind, but no relief. I sincerely recommend him to any and all who suffer with any of these diseases.

JOHN REIMUND.

Napoleon, O., April 15, 1902.
I wish to register my name with the many and state what Dr. Good has done for me. I was a constant sufferer for a number of years with constipation, heart trouble, severe pain in the head and catarrh of the head in the worst form, and have spent hundreds of dollars to get cured. I was told to go and see Dr. Good. I went, and he took my case. It is wonderful to relate he cured me of all troubles in twenty treatments. Also my wife has been a sufferer with that terrible trouble—female weakness. He gave her one treatment and instructed her what to do. She is better than for years.

Dr. Good, Perryburg, O.:
Dear Sir:—Wish to make a statement to the public of what you did for me. I was a sufferer for two years with catarrh of the nose and head and throat, constipation, pain in the back and cough. My friends and neighbors said I had consumption. My doctor told me that medicine would not do me any good, that my only chance was to change climate. I went to see a number of people you were treating before I came to you, and they all advised me to give you a trial. I took 24 treatments and began to feel better after the third treatment, and continued doing so until today I am a well and hearty man. All of my friends think it was a wonderful cure to be made without medicine. My age is 24 years. I cheerfully recommend your treatment to all sufferers. Yours truly,
GEO. W. RIGHT.

West Cairo, O., March 13, 1903.
To Whom It May Concern:
This is to certify that under the treatment of Dr. F. M. Good, professor of Osteopathy, Psychology and Magnetic Treatment, I have been cured of asthma after 3 years of suffering. I have taken the Kola Compound, Dr. Frank Whetzel's asthma cure, Alexander's cure, F. G. Kinsman's cure, Power's cure and Scheffman's cure with temporary relief. I had no appetite to eat and coughed and spit as bad as one in the first stage of consumption. Had become almost discouraged. The people thought I would soon pass in my checks. While taking treatment I gained six pounds the first week. I would advise any one suffering from any disease to take treatment of Dr. Good. My age is 19 years. Truly yours,
BLAINE JENNINGS.

N. B.—I certify that this statement of my son is true.

Napoleon, O., March 27, 1902.
I was a sufferer with one of the worst cases of catarrh of the head for many years, also rheumatism and stomach and kidney troubles, and was treated by many physicians and tried many kinds of patent medicines without relief. I was recommended to go to Dr. Good of Napoleon, and to my surprise I have been cured of all my troubles in just twenty treatments without one drop of medicine. I cheerfully recommend him to my friends and all who suffer with such diseases.

To whom it may concern:
F. M. Good, Dear Sir:—This is to certify that I have been a chronic sufferer with pain in my head for six years. I had been treated by several physicians, but they could not give me any relief. I tried many kinds of patent medicines with no relief. A friend of mine persuaded me to go and see you. I did so, and I must say that I took eight treatments and am entirely cured. Go on with the good work for suffering humanity, yours truly,

IN MEMORIAM

At a meeting of Perryburg lodge, K. of P., held April 14, 1903, the following resolutions were adopted:
Whereas, The Great and All Wise Ruler of the Universe has again entered our Castle Hall and removed from our midst our Brother Nathaniel L. Hanson; and,
Whereas, In his decease Perryburg Lodge No. 524, K. of P., has lost one of its best and most valued members and friends and one with whom we could ill afford, and were most loth to part, therefore, be it

Resolved, That in the death of our Brother N. L. Hanson our lodge and the order have lost a most worthy brother, a man of more than ordinary ability, a man of strict integrity and wise counsel, a man of high moral convictions and enlightened judgment, a man who was unmoved by momentary sentiment or unreasonable clamor, a man who chose rather to follow the dictates of an approving conscience, "void of offense," regardless of the consequences to himself.

Resolved, That as the days and months and years are passing by, we shall want for the valuable advice and counsel which from his ample store our brother was always enabled to give in his candid, plain and honest manner, and we shall be doubly reminded that he is dead, after an active and honorable life, and gone from our midst never to return.

Resolved, That the memory of his good deeds, high character and great worth, will ever abide with us, and serve as an inspiration to us to emulate his example whereby we may become wiser, stronger and better members of society.

Resolved, That the members of this lodge most sincerely lament the death of our Brother N. L. Hanson, and desire to express to his family the high consideration and profound respect we entertain of his integrity, ability and fidelity to every trust, whether public or private, and his character in private life.

Resolved, That a copy of these resolutions under the seal of the lodge be by the Keeper of Records and Seal forwarded to the family of our deceased brother, and that a copy be furnished to the Perryburg Journal with request to publish the same.

Respectfully submitted,
RUDOLPH DANZ,
A. W. DEGENER,
D. K. HOLLENBECK,
Committee.

"After my first baby was born I did not seem to regain my strength although the doctor gave me a tonic which he considered very superior, but instead of getting better I grew weaker every day. My husband insisted that I take Wine of Cardui for a week and see what it would do for me. I did take the medicine and was very grateful to find my strength and health slowly returning. In two weeks I was out of bed and in a month I was able to take up my usual duties. I am very enthusiastic in its praise."

Wine of Cardui reinforces the organs of generation for the ordeal of pregnancy and childbirth. It prevents miscarriage. No woman who takes Wine of Cardui need fear the coming of her child. If Mrs. Unrath had taken Wine of Cardui before her baby came she would not have been weakened as she was. Her rapid recovery should commend this great remedy to every expectant mother. Wine of Cardui regulates the menstrual flow.
